

Dental hygienist associations

Country: **AUSTRIA**

1°.- Number of working dental hygienists and if available where they are working (in %)

Austria, a country with 8.4 million inhabitants, has around 10 (part-time) working dental hygienists, all of them women and educated abroad (Europe, USA and South Africa).

2°.- Names and addresses of the dental hygiene schools and the intake every year. Include name of the director of the school

There is NO dental hygiene school/program available in Austria.

3°.- Duration of education and degree. If a specific for dental hygienist master education is available mention this with the address. If the course is given in English (for countries other than the UK or Ireland) please mention this as well

4°.- Any other relevant information
