

## ABSTRACT SUBMISSION GUIDELINES

### Types & Structure

Abstracts should be of no more than **300 words**.

Submitters can indicate whether they prefer an oral presentation or poster presentation, however the final decision will be taken by the EuroPerio9 Scientific Committee.

You can either choose between a **Research presentation** or **Clinical report presentation**.

The structure of the abstract depends on the type you choose:

- a. Research presentation
  - Structure: Background & Aim, Methods, Results, Conclusions
- b. Clinical report presentation
  - A clinical report presentation should describe novel clinical techniques, case reports or case series.
  - It should contain a short statement of the background, followed by description of the clinical procedure and description of outcomes.

*Tips for abstracts: All abstracts will be reviewed by a panel of expert referees. For research presentations particularly, please ensure you include some data from your results. Statements such as "the results of the study will be discussed" will not be accepted.*

One table per abstract is allowed.

**No figures and videos** can be uploaded in the abstract submission process.

Abstract submission start: **September 25, 2017**

The link to the online abstract submission platform will be published on the website at
