• Author of more than 40 articles on international Journals.
• H-factor: 12; IF >100
• 2005 2nd prize for graduate research of the European Federation of Periodontology, 2013 Robinson Award of the American Academy of Periodontology
• Reviewer of numerous scientific journals.
• Member of the Editorial Board of the Journal of Clinical Periodontology.
• His research activities are focused on periodontal surgical treatment and periomedicine.

**Professor Dr. Dr. Søren Jepsen**

Professor Jepsen is Director and Chairman of the Department of Periodontology, Operative and Preventive Dentistry at the University of Bonn, Germany. Previously he was Assistant Professor in the Department of Prosthodontics at the University of Hamburg and later Associate Professor in the Dept. of Conservative Dentistry and Periodontology at the University of Kiel. He received his Dental and his Medical Degree from the University of Hamburg in 1981 and 1986 and a MS in Periodontology from Loma Linda University, California, USA, in 1992. He is a Diplomate of the American Board of Periodontology. He has served on the Board of the German Society of Periodontology (DGP) from 1998 - 2006. Prof. Jepsen became elected member of Leopoldina (German National Academy of Sciences) in 2005. In 2007 he was invited to the position of Chairman of the Dept. of Periodontology at the University of Bern, Switzerland, and received the Cochrane-Prize for Evidence-based Dentistry. Since 2008 he is Speaker of the Clinical Research Unit 208 „Aetiology and Sequelae of Periodontal Diseases" funded by the German Research Foundation (DFG) at the University of Bonn. Presently he serves as President-elect on the Board of the European Federation of Periodontology (EFP). He has lectured and published extensively, has received numerous awards and is Associate Editor of the *Journal of Clinical Periodontology* and Editorial board member of *Clinical Oral Implants Research*, the *European Journal of Oral Implantology* and the *Chinese Journal of Dental Research*.
Professor Dr. Korkud Demirel

Academic
1985 Dental Licence (Istanbul University Faculty of Dentistry)
1992 PhD (Istanbul University Institute of Health Sciences)
2002 Professor (Istanbul University, Department of Periodontology)

Professional
1985-1989 Istanbul University, Department of Periodontology
1989-1990 SUNY at Stony Brook, School of Dentistry, Department of Periodontology
1991- present Istanbul University, Department of Periodontology
2005- Present Part time private practice

Fields of Interest
Periodontal plastic surgery and soft tissue regeneration
Dental implants and bone regeneration
Smoking and periodontal disease

Professional Memberships
Turkish Society of Periodontology (Past President)
European Federation of Periodontology (Past-President)
Turkish Society of Implantology (Member)
American Academy of Periodontology (Member)
Turkish Dental Association (member)
