What clients say about us

"Extremely smooth on-site support , seamless communication and fantastic interaction with the GSK team and other agencies throughout. TFI operate to a consistently excellent standard and instilled a real sense of confidence in the COE team. As well as being exceptionally professional, they are also pleasant to work with".

Communications Director, Respiratory Centre of Excellence, GSK

"With TFI Pharma I know that my delegates are looked after – be that at board level or any other group. So when I meet my delegates, they're ready to engage."

Director, Global Medical Strategy, ViiV Healthcare
