SIDP SEPA *Joint Meeting*

Soft Tissue Surgery around Teeth and Implants

*Institutional Partners
(Scientific Societies and Foundations)*

14-15-16 January 2021

New project 2021 onwards

The impact of the pandemic COVID-19 has had a lot of consequences in Italy and Spain. However, SIdP and SEPA have adapted to the situation that has been perceived as a great opportunity for a global dissemination of science and knowledge. Therefore, SIdP and SEPA have decided to transform the second joint Symposium into a new global online meeting by inviting other sister Societies and Universities to be part of this inspiring project, and have approved to move the 2nd SIdP SEPA meeting to January 2021 within these key elements:
