POST-GRADUATE PROGRAM IN PERIODONTOLOGY

EFP Post-graduate Program Director: Andrea Pilloni

EFP Post-graduate Program Co-director: Lorenzo Marini

**DEPARTMENT
OF ORAL AND MAXILLOFACIAL SCIENCES**

Via Caserta 6, 00161- Rome

parodontologia@uniroma1.it

somaf.web.uniroma1.it

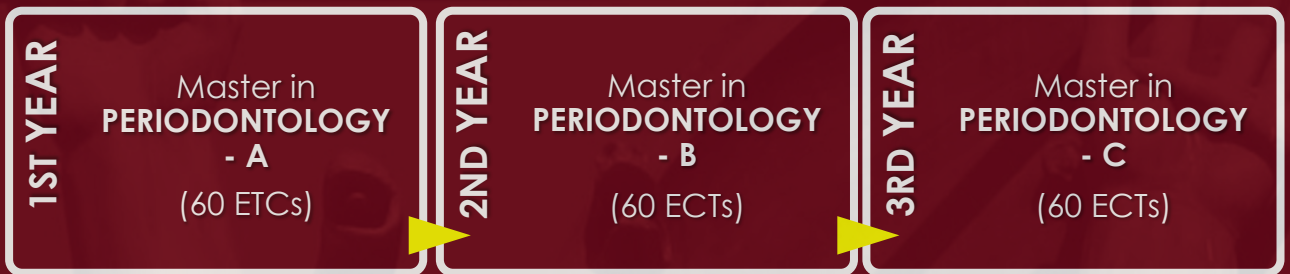

**HEAD AND NECK Integrated Assistance Department
DENTAL CLINIC & GEORGE EASTMAN HOSPITAL**

UP Periodontology
and diabetic and cardiovascular diseases

Viale Regina Elena 287/A-B, 00161 - Rome

The program leads to the acquisition of **3 consecutive Level II University Master's diplomas:**

The three Master's diplomas are interconnected such that the Program in Periodontology cannot be completed unless all diplomas have been earned.

- Each student performs clinical activity under the supervision of **tutors**

- All clinical cases are **documented and discussed collegially**

- **Multidisciplinary** clinical cases are scheduled with the units of oral surgery, oral pathology, restorative dentistry, and/or orthodontics

- **500 hours of clinical activity for each year**

- Design and implement a **research protocol**. Results must be presented in a written format for possible publication in an international scientific journal

- The research proposal is overseen by the Program Director

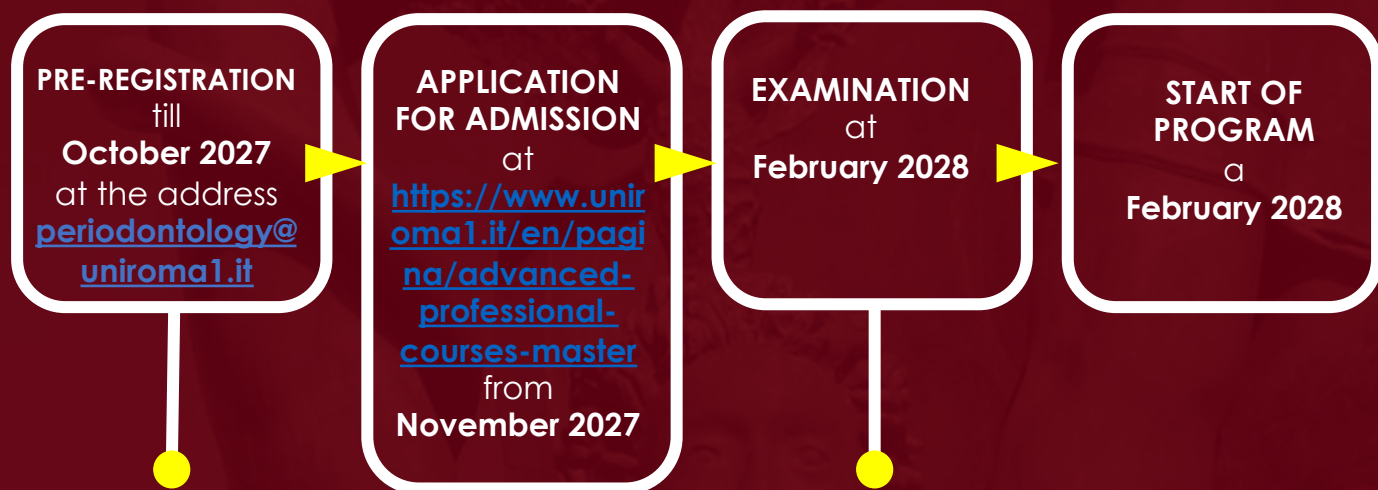

- Lectures
- Seminars discussing periodontal and implant scientific literature
- Clinical case discussion seminars
- Workshops and exercises

Application modalities

The postgraduate program admits a single cohort of **four students**, who start the program together and complete it together over a three-year period.

At the end of each three-year cycle, applications reopen for the first year (**Periodontology – A**).

The next three-year cycle is scheduled to begin in **February 2028**.

CV in European format
(OPTIONAL)

Selections are made by the Postgraduate Committee on the basis of an **entrance examination, the curriculum vitae and a motivational interview.**

Knowledge of English and Italian is required.

Tuition fees

Tuition for each of the three years is € 10,000.

The total cost for the three-year period is € 30,000.
