

HAND-ON WORKSHOP

«GUIDED BIOFILM THERAPY FOR NON-SURGICAL PERIODONTAL/
PERI IMPLANT TREATMENTS»

SPEAKER

Raluca Cosgarea

Professor at the Clinic of Periodontology, Operative and Preventive Dentistry University of Bonn (DE) and a Research Fellow at the Department of Periodontology and Peri-implant Diseases at the University of Marburg (DE).

Guided Biofilm Therapy (GBT) is an evidence based protocol supported by clinical studies. In this workshop, Dr Raluca Cosgarea will focus on the importance of Guided Biofilm Therapy utilizing AIRFLOWING® and PIEZON® technologies for the prevention, treatment and maintenance of Peri Implant diseases. This workshop highlights the importance of novel PIEZON® PI MAX instrument and gives every participant an opportunity to experience a hands on training.

Take the opportunity and register for the workshop today.
