

Childcare at Kindergarten

Childcare for **kids from 3 to 12 years old**.

Due to compliance rules minors are not allowed in congress areas, session halls and exhibition areas. Therefore, the childcare room is located outside of the congress area with a separate entrance.

Water and juices will be provided in the kindergarten, but kids must be picked up for lunch/meals. Children can stay in childcare for max. 4h, multiple times a day, but need to be checked on by parents every 4 hours.

Pre-registration is required, but registration on-site is possible if there are still free spots (first come, first served). Please contact europerio@mondial-congress.com to register for childcare.

- Fees:**
EUR 20,- one-day only
EUR 35,- all days (Wed-Sat)

To drop off children at the kindergarten, you need to first collect your badge at the registration counter (Entrance A Foyer), then walk outside to the kindergarten. Direct access to EuroPerio11 from the kindergarten is only possible if you already have your badge.

The childcare team speaks **English and German**.
